

MATERIAL SAFETY DATA SHEET

I. MANUFACTURER/DISTRIBUTOR and PRODUCT IDENTIFICATION

DISTRIBUTOR: Alro Steel Corporation 3100 East High Street Jackson, MI 49204	REVIEWED AND REVISED: 2/20/96 by Alro Steel Corporation	EMERGENCY PHONE NUMBER: (517) 787-5500
MANUFACTURER: Various Sources	CHEMICAL NAME: Brass and Brass Alloys	CHEMICAL FAMILY: Metals

II. CHEMICAL COMPONENTS

See section II-C, Product Description & Hazardous Ingredients/Identity Information.

III. PHYSICAL DATA

Melting point F°: 1650 F	Specific Gravity(H₂O=1): 8.370 ± 0.125 g/cc	Vapor pressure: ND
% Volatile by Volume: ND	Vapor Density (Air=1): N/A	Evaporation Rate: ND
Solubility in Water(% by weight): nil	Appearance and Odor: Gold or yellow colored rod having various shapes and dimensions.	

IV. FIRE AND EXPLOSION DATA

PRODUCT NONFLAMMABLE. Use a water spray to cool fire-exposed containers, structures and to protect personnel.

V. HEALTH HAZARD INFORMATION

See Section V-A, General Health Hazard Information and Section IX. Appropriate personal protective equipment is required when melting, casting, forging, machining, or otherwise processing. The nature of activity will determine the form of protection necessary, i.e., glasses, respirator, clothing and ear protection.

VI. REACTIVITY DATA

STABILITY: Stable under normal conditions of use.	INCOMPATIBILITY: Contact with acids and alkali hydroxide results in evolution of hydrogen.	HAZARDOUS POLYMERIZATION: n/a
HAZARDOUS DECOMPOSITION PRODUCTS and CONDITIONS TO AVOID: Avoid exposure to acids and alkali hydroxides.		

VII. SPILL AND LEAK PROCEDURES/ ENVIRONMENTAL

Used or unused product should be tested to determine hazard status and disposal requirements under federal, state and local laws and regulations. This material may be reclaimed for reuse. See section II-A for information concerning materials subject to SARA Title III reporting requirements. Due to composition, consumer items manufactured from this material may be subject to Federal, State or Local reporting requirements.

VIII. SPECIAL PROTECTION

RESPIRATORY PROTECTION: When limits are exceeded, use proper approved respirator. (Consult OSHA and/or State or Local codes for all requirements)
VENTILATION: Use local exhaust when cutting, grinding or welding.
EYE PROTECTION AND PROTECTIVE CLOTHING: Proper protective clothing and appropriate face and eye protection should be used when processing.

IX. SPECIAL PRECAUTIONS & ADDITIONAL INFORMATION

(1) PEL/TLV exposures should be controlled to remain below OSHA and ACGIH specifications to insure proper health protection of workers. (2) Acids and bases in contact with brass may generate explosive concentrations of hydrogen.

DISCLAIMER: The information in this MSDS was obtained from sources believed to be reliable. Alro makes no warranties, expressed or implied, including but not limited to, implied warranties of merchantability and fitness for a particular purpose. The information contained herein is believed to be correct, but no representations, guarantees or warranties of any kind are made as to its accuracy, suitability for particular applications, hazards connected with the use of the material or the results to be obtained from the use thereof. The user assumes all risk and liability of any use, processing or handling of any material. Variations in methods, conditions, equipment used to store, handle or process the material and hazards connected with the use of the material are solely the responsibility of the user and remain at its sole discretion. The conditions or methods of handling, storage use and disposal of the product are beyond our control and knowledge. For this and other reasons, we do not assume responsibility and expressly disclaim liability for loss, damage or expense arising out of or in any way connected with the handling, storage, use or disposal of the product.
 As sold, the product described in this MSDS is considered by Alro to be an "article" within the meaning of title 29 of the Code of Federal Regulations, section 1910, 1200 *et seq.* This MSDS is intended to be used solely for the purpose of satisfying informational requests made pursuant to that requirement. It is not intended to preempt, replace or expand the terms contained in Alro's Conditions of Sale. Compliance with all applicable federal, state and local laws and regulations remains the responsibility of the user. The user has the responsibility to provide a safe workplace, to examine all aspects of its operation, and to determine if or where precautions, in addition to those herein, are required
